We deeply regret that it was  
the reporter instead of you.  
What are you trying to prove  
to yourself?

The Southern people shall never  
forgive, nor forget.

Not only in the South but  
all over the Nation.

We have heard that some states  
are in sympathy with you, if ever  
there was an understanding this  
is.

Our fathers before us and their  
fathers have always believed as  
we have about your people and  
our children and their children  
shall continue to do so as long  
as there remains a Southerner,  
we shall always stand firm in  
our resentment of your kind.

We shall continue to give all

the support necessary to abolish  
people like you and your race.

A Southerner

P. S. you'll never make it in  
Mississippi. This I think you  
realize by now.

This is not the end only  
the beginning.
